PARTICIPANT AGREEMENT, RELEASE AND ASSUMPTION OF RISK

In consideration of the services of IDAHO GUIDE SERVICE INC., their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as IGS), I hereby agree to release, indemnify, and discharge IGS, on behalf of myself, my children, my parents, my heirs, assigns, personal representatives and estate as follows:

1. I acknowledge that my participation in a guided river trip entails known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

The risks include, among other things: whitewater rapids will be encountered. I can be jolted, jarred, bounce, thrown to and fro and shaken about during rides through some of these rapids. It is possible that I could be injured if I come in contact with frames, food boxes, other storage containers, or other fixed equipment to the operation of the expedition and the outfitting of the rafts. Rafts could turn over or I could be washed overboard. I can slip or fall during a hike, resulting in damage to equipment or personal injury. Accidents can occur getting on and off the raft. Rafts are slippery when wet. Accidents can occur during transportation to and from the trip embarkation point in IGS fifteen passenger vans or other conveyance. Exposure to the natural elements can be uncomfortable and/or harmful. I am aware that this exposure could cause sunburn, dehydration, exhaustion, heat stroke, and heat cramps. I understand that the initial shock of exposure to cold water can be dangerous and that prolonged exposure to cold water can result in hypothermia and in extreme cases death and accidental drowning.

For Climbing and Mountaineering Activities : I acknowledge that the following describes some, but not all, of these risks: 1) Falling; 2) Cold weather and heat related injuries and illnesses including frostnip, frostbite, heat exhaustion, heat stroke, hypothermia, and dehydration; 3) An "act of nature" which may include avalanche, rock fall, inclement weather, thunder and lightning, severe and/or varied wind, temperature or weather conditions; 4) River crossings, fording, portaging, or travel including travel to or from the activity; 5) Risk associated with crossing, climbing or down-climbing of rock, snow and/or ice; 6) Equipment failure and/or operator error; 7) Discharge of weapons; 8) Risks typically associated with watercraft including change in water flow or current; submerged, semi-submerged or overhanging objects; capsizing, swamping or sinking of watercraft and resultant injury, hypothermia, or drowning; 9) My sense of balance, physical coordination, and ability to follow instructions; 10) Attack by or encounter with insects, reptiles, or animals; 11) Accidents or illnesses occurring in remote places where there are no available medical facilities.

Furthermore, IGS employees have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather, the elements, or the terrain. They might give inadequate warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.

3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless IGS from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of IGS equipment or facilities, including any such claims which allege negligent acts or omissions of IGS.

4. Should IGS or anyone acting in behalf, be required to incur attorneys fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such an injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.

6. In the event that I file a lawsuit against IGS, I agree to do so solely in the state of IDAHO, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against Idaho Guide Service on the basis of any claim from which I have released him or her herein.

I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
